

### Lecturers' communication in English:

In CIU among students:

In CWU among students:

In EMU among students:

In EUL among students:

In GAU among students:

In NEU among students:

### Lecturers having a proper and well laid out course outline:

In CIU among students:

In CWU among students:

In EMU among students:

In EUL among students:

In GAU among students:

In NEU among students:

## Lecturers replying students questions in English:

In CIU among students:

disagree or strongly disagree

neutral

In CWU among students:

agree or strongly agree

In EMU among students:

agree or strongly agree

In EUL among students:

agree or strongly agree

In GAU among students:

agree or strongly agree

In NEU among students:

agree or strongly agree

## The progression of courses mirroring the course outline:

In CIU among students:

agree or strongly agree

In CWU among students:

agree or strongly agree

In EMU among students:

agree or strongly agree

In EUL among students:

agree or strongly agree

In GAU among students:

agree or strongly agree

In NEU among students:

agree or strongly agree

disagree or strongly disagree

## If the amount of time spent teaching the course is sufficient:

In CIU among students:

agree or strongly agree

In CWU among students:

agree or strongly agree

In EMU among students:

agree or strongly agree

In EUL among students:

agree or strongly agree

disagree or strongly disagree

In GAU among students:

agree or strongly agree

neutral

In NEU among students:

agree or strongly agree

disagree or strongly disagree

## Lecturer's approach to teaching:

In EMU among students:

as pessimistic

as very pessimistic

In NEU among students:

as pessimistic

### If the instructors encourage participation:

In CIU among students:

agree or strongly agree

In CWU among students:

disagree or strongly disagree

In EMU among students:

agree or strongly agree

In EUL among students:

agree or strongly agree

disagree or strongly disagree

In GAU among students:

agree or strongly agree

In NEU among students:

agree or strongly agree

### If the instructors adhere to the medium of instruction (English):

In CIU among students:

agree or strongly agree

In CWU among students:

agree or strongly agree

strongly disagree

In EMU among students:

agree or strongly agree

In EUL among students:

agree or strongly agree

In GAU among students:

agree or strongly agree

neutral

In NEU among students:

agree or strongly agree

disagree or strongly disagree

## If instructors are fair in awarding marks to students regardless of race or nationality:

In CIU among students:

believes grading to be unfair

In CWU among students:

believes grading to be unfair

In EMU among students:

believes grading to be unfair

In EUL among students:

believes grading to be unfair

In GAU among students:

believes grading to be unfair

In NEU among students:

believes grading to be unfair

## International students reaction to the statements:

### Lecturers having a proper and well laid out course outline:

Agree

Strongly Agree

### The progression of courses mirroring the course outline:

### If the amount of time spent teaching the course is sufficient:

### Lecturer's approach to teaching:

### If they have sufficient practical hours for relevant courses:

### If the instructors encourage participation:

### If the instructors adhere to the medium of instruction (English):

### If instructors are fair in awarding marks to students regardless of race or nationality:

## Evaluating The Learning Experiences of International Students in TRNC Universities

This survey was conducted online between March and May 2021, and received a total of 303 responses, 301 of which were from international students representing 13 to 20 universities registered in the TRNC.

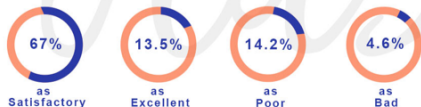

The report focuses on the universities represented by 15 or more respondents.

University	Diploma	Undergraduate	Masters	PhD.	Total
CIU	1	68	17	8	94
EMU	2	57	11	1	71
NEU	0	40	8	2	50
EUL	0	32	1	1	34
CWU	0	18	0	0	18
GAU	0	13	2	0	15
